Chapter 1 by Adam

/What happens when you're forced to fight to the death with 25 other strangers? This, that's what./

I awoke only to be trapped in a claustrophobic box with the only light coming through small air holes. "Ok, what the actual Fu-" I knew nobody could hear me, but that's not what interrupted me.

"Hello Tributes. You're all probably wondering why you are here, well let me tell you. There are currently 26 of you in this arena," /Arena?/ "and well, we need only 1 of you. How do we choose? Well, the last survivor will leave to see another day. You must simply scour, search and build to survive. Simple right? Exactly, well in ten seconds we will open the containment boxes and let you all start. Ready?"

/I was not ready. Not ready for what was to come, the murder, the bloodshed./

"Set,"

/This was it, no turning back now./
